# ALPHABET adapted BOOKS set

Thank you so much for downloading this FREE ALPHABET ADAPTED BOOK. This is part of my Adapted Alphabet book resource, which has 26 different mini adapted books for each letter of the alphabet. Each book is a 1/2 page and contains 8 different pictures related to that letter. These provides excellent practice for students who need engaging materials and who have low joint attention. I specifically made this set for my special needs kiddos. I hope you enjoy them as much as we do!!

Use these to differentiate. If you have a child that doesn't need the pictures and can read the words, use these instead. Or if the child has mastered using the pictures, swap these out for another option.
