Down on the Farm - Day 1

All about the Farm

Farms are so important because they provide all of the food, ingredients, and fiber that we need for our meals and clothing.

Pretend

Play "farm animal charades" with a family member. Take turns pretending to be a farm animal and see if the other person can guess which animal you are.

Create

This week, your project is to create a farm mural. Each day, you will draw a new picture to add to your farm.

Today, draw a big barn and a silo for your farm.

Ride

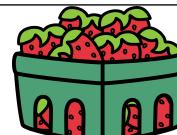

In the story that we read today, Duck taught all of the animals on the farm to ride a bike. Do you have a bike? Go for a bike ride with your grown-up. Remember to wear a helmet to protect your smart brain.

Help

Farmers need to water their plants and gardens. Help your grown-up water the plants and garden today?

Eat

The farm grows lots of healthy food. Look in your fridge and pantry to identify the food that comes from a farm. Eat something healthy for lunch that would grow on a farm.

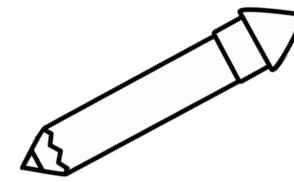

Read

There are so many good books about farms! Try one of these:

- *Duck on a Bike* by David Shannon
- *Down on the Farm* by Marryly Kutner

Down on the Farm - Day 2

Crazy Cows

Dairy farms raise cows that give us milk. There are lots of silly stories about cows on farms. Let's learn more about them.

Experiment

Making butter is an easy and fun experiment. Just add a little bit of whipping cream to a jar with a tight lid. Shake it and shake it some more. It will turn into butter.

Rhyme

Cows say, "Moo!" How many words can you name that rhyme with "Moo"?

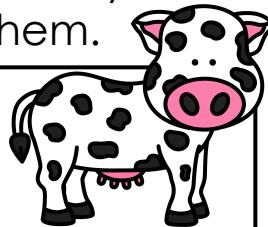

zoo	clue
boo	new
two	Sue

Taste

Cows make milk, which is used to make dairy products. Look in your fridge and try to find a dairy product. Have a taste of something made from milk (yogurt, cheese, cream cheese, ice cream, etc.)

Draw

Today we are going to add a cow or two to our farm mural. What color will it be? Will it have spots? Draw a picture of a cow and add it to your farm picture.

Imagine

In the story that we are reading today, the crazy cows typed a letter to Farmer Brown. Imagine that you are a cow on his farm. What would you ask for?

Down on the Farm - Day 3

Silly Sheep

Sheep on the farm provide the wool that we need to make many types of clothing.

Search

Sheep feel fuzzy and soft. Try to find 10 things in your home that feel fuzzy and soft like a sheep.

Recite

There are lots of rhymes about sheep. Try to say this one:

**Mary had a little lamb,
Little lamb, little lamb.
Mary had a little lamb,
Whose fleece was white as snow.**

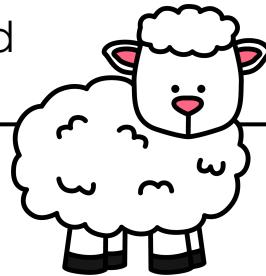

**Everywhere that Mary went,
Mary went, Mary went.
Everywhere that Mary went,
The lamb was sure to go!**

Play

Play "Hide and go Sheep!" with your family. One person is the sheepdog and counts to ten while the others (sheep) all hide. If the sheepdog barks, all the sheep must "Baa" as loudly as they can. Can the sheepdog find all the sheep?

Draw

Today we are going to add sheep to our farm mural. Draw a fluffy sheep and add it to your picture.

Help

Sheepdogs help take care of the sheep on the farm by rounding them up and putting them into a pen. Help your grown up "round up" your toys and put them into the toy box, just like a sheepdog!

Farmer Fun

Working on a farm is very hard work. Farmers can also have a bit of fun. Let's pretend to be farmers today.

Create

Use play dough and toy animals to create your own farm scene. Be creative. What will the animals do on the farm?

- Farmer says, "Moo like a cow!"
- Farmer says, "Roll on the ground like a pig."
