# Signs of Spring- Day 1

This week in preschool we are going to look for signs of spring. Spring is the season when new life starts to appear – trees and flowers bloom, baby animals are born, and the weather begins to get warmer.

## Create

Use play dough, paper, markers, or another art supply to make your own set of 5 green, speckled frogs. Make a speckled log for them to sit on.

## Play

Can you jump and ribbit like a frog? Can you waddle and quack like a duck? When it rains, maybe you can go outside and jump in the puddles.

## Sing

### Five Frogs

Five green and speckled frogs  
Sat on a speckled log  
Eating some most delicious bugs  
Yum – Yum!  
One jumped into the pool  
Where it was nice and cool.  
Now there are 4 green speckled frogs.

## Help

Ducks and frogs both love water. Fill the kitchen sink with soapy water. Help your family by washing and drying your own dishes.

## Relax

Ask your grown up if you can take a bath. Pretend that your bathtub is a pond. Make your own lily pads using styrofoam or plastic plates. How many bath toys can you balance on a lily pad before it sinks?

# Signs of Spring- Day 2

In the spring, flowers start to bloom. Bulb and plants that were dormant all winter start to grow again. New seeds are planted, and gardens become beautiful again.

## Look

Search for different flowers and signs of spring outside. Color the spring things that you see.

## Color

Use markers to color coffee filters. Spray the filters with water to see the colors mix. When the coffee filters dry, glue them together to make a pretty flower.

## Garden

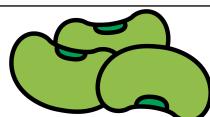

Be a good helper to your grown up in the garden or yard. Pull weeds and plant flowers. Water them with a watering can.

## Search

Spring and seeds both start with the letter S. Search around your house for other things that start with the letter S.

## Grow

Soak a dry bean or seed in water for a few hours. Then, move the bean to a plastic ziploc bag. Add a damp paper towel. Tape the bag to a window that gets bright sun. Watch it grow!

# Signs of Spring- Day 3

Every spring, the hungry caterpillar munches on leaves and then goes through metamorphosis. When it emerges from the chrysalis, it is a beautiful butterfly!

## Draw

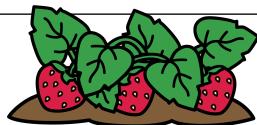

A butterfly's wings are symmetrical. The left wing and the right wing look exactly the same. Color the butterfly's wings so that they are symmetrical.

## Pretend

Pretend to be a caterpillar and crawl around. Make a chrysalis by wrapping yourself up in a blanket, then "hatch" and use the blanket for wings to fly around!

## Taste

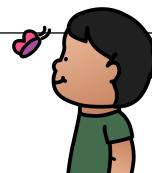

The Very Hungry Caterpillar ate apples, pears, plums, strawberries, and oranges. If you have some of those, make yourself a caterpillar fruit salad for lunch.

## Look

When it's warm enough, go on a bug hunt. Look at leaves and under rocks to see if you can find any teeny baby caterpillars or other insects.

## Dance

Listen to "Butterfly" by Nancy Kopman (on the "Senses" album). Dance while the music plays.

# Signs of Spring- Day 4

Robins dig for worms in the spring. Other birds make their nests and lay eggs. They sing, tweet, and hoot. All of this bird activity is an exciting sign of spring.

## Make

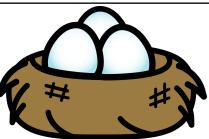

Glue or staple 2 toilet roll tubes together to make binoculars. Paint or color your binoculars. Use your new binoculars to look for birds. How many birds do you see? What color are the birds?

## Experiment

Fill plastic eggs with different small objects (dry rice, pennies, beads). Shake the eggs and listen to the different sounds that they make.

## Pretend

Make a "nest" out of blankets or other things you find in your home. Snuggle up and read a good book in your nest!

## Rhyme & Count

Say this rhyme and do the fingerplay.

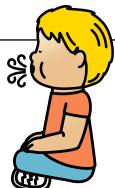

5 Bright Birdies hopping all around.  
Strutting & pecking on the dewy ground.  
One bright birdie flies up in the tree.  
And sings a little song, tweet-tweetle-ee.

## Create

Use paint or crayons to decorate the paper eggs. Create a pattern or design on the eggs. Cut them out and tape them to your window.

## Breathe

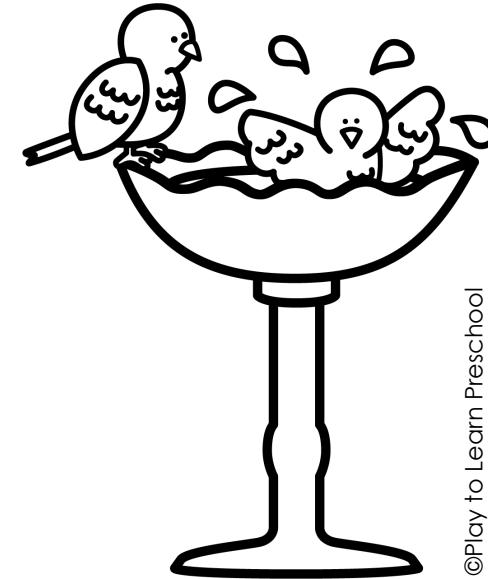

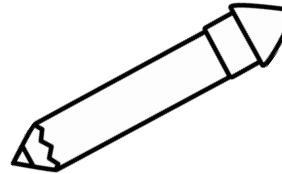

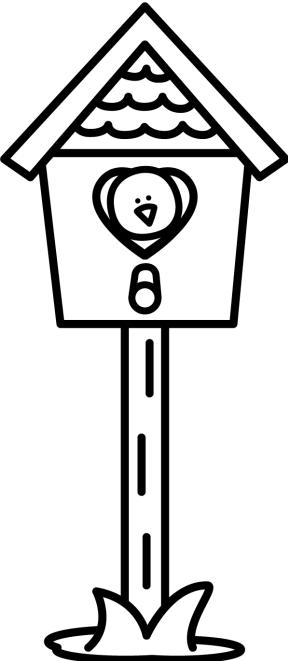

Open up a window or go outside to your yard. Take a deep breath of the spring air. Use all of your senses to discover spring. What do you see? What do you hear? What do you smell? How does the air feel. Close your eyes and breathe.

Name \_\_\_\_\_

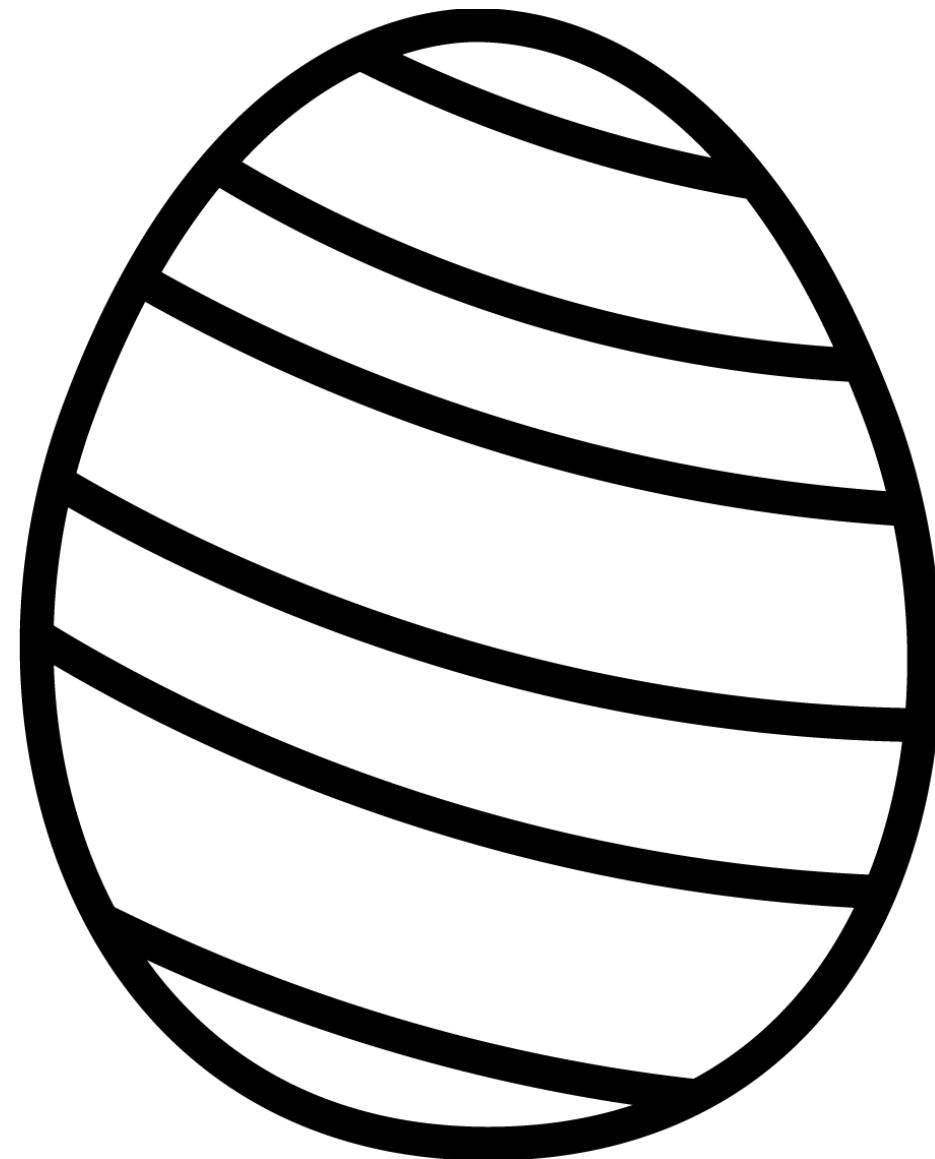

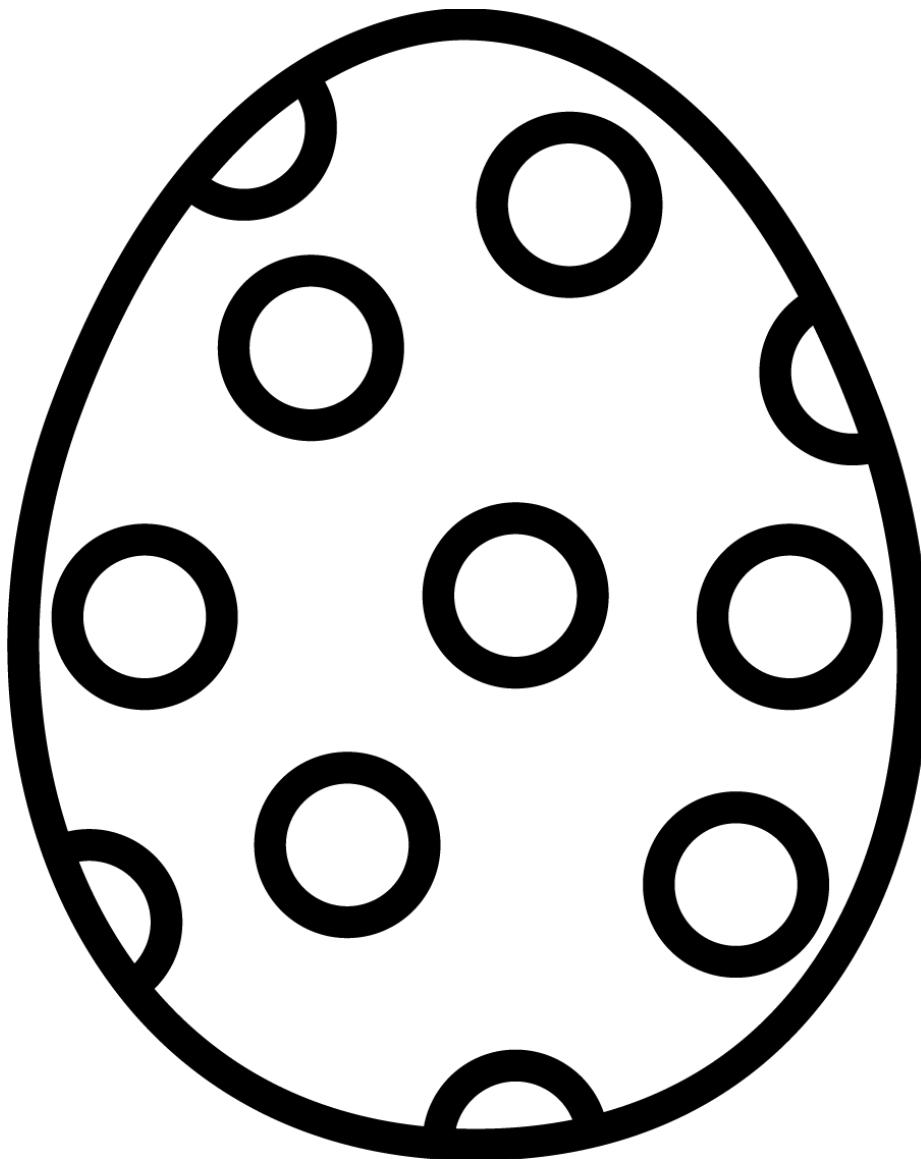

I can point to the dots and spell my name.

I can write 1 letter in each box.

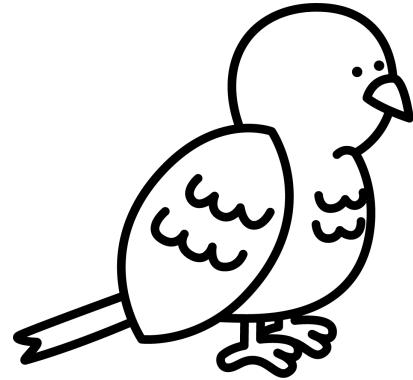

Name \_\_\_\_\_

Decorate each egg. Hang them in your window.

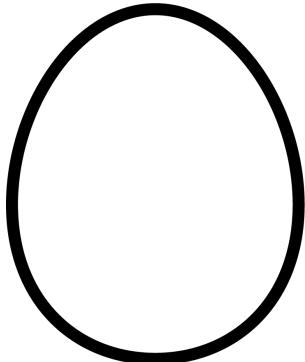

Name \_\_\_\_\_

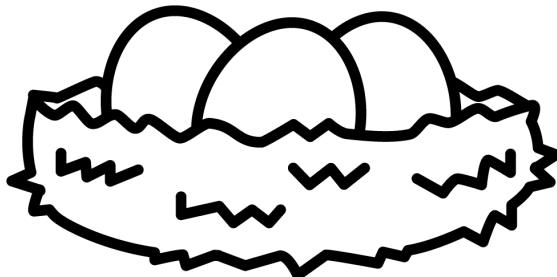

I can write the bird words.

# Signs of Spring- Day 5

Rabbits usually have large litters of baby bunnies in the spring. Bunnies are another symbol of new life. They are a sign that spring has arrived.

## Move

Say this rhyme and hop like a bunny rabbit.

Bunny, bunny, hopping high.  
Bunny, bunny, hopping low.  
Bunny, bunny, hopping fast.  
Bunny, bunny, hopping slow.

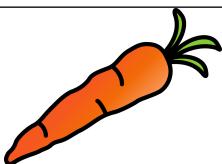

## Paint

Bunnies have soft, fluffy tails that look just like a cotton ball. Use a cotton ball dipped in paint to make a picture.

## Help

Bunny rabbits like to eat carrots and lettuce. Help your grown up make a veggie tray. Pretend to be bunny and eat your vegetables.

## Design

Make your own bunny puppet. Use a brown paper lunch bag. Draw a bunny face on it. Cut out bunny ears and glue them to the top.

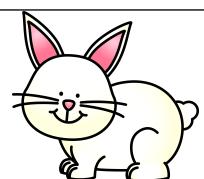

## Read

Read one of these cute bunny books:

*Knuffle Bunny* by Mo Willems  
*The Runaway Bunny* by Margaret Wise Brown  
*Duck! Rabbit!* by Amy Krouse Rosenthal  
*Too Many Carrots* by Katy Hudson

## Rhyme

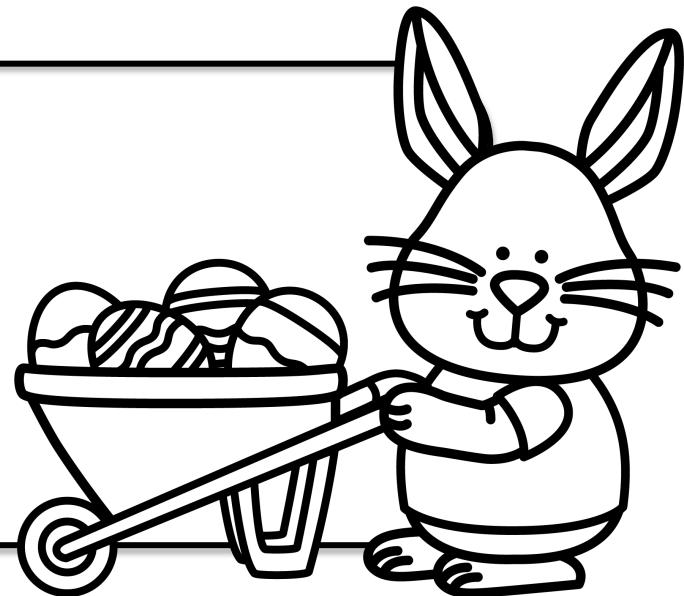

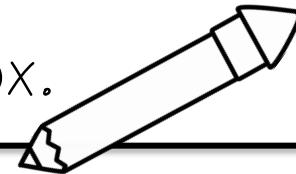

"Come my bunnies, it's time for bed."  
That's what Mother Bunny said.  
"But first I'll count you just to see,  
If you have all come back to me...."  
"Bunny 1, bunny 2, bunny 3, oh dear,  
Bunny 4, bunny 5, yes, you're all here!"

Name \_\_\_\_\_

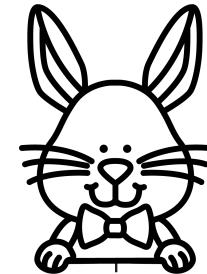

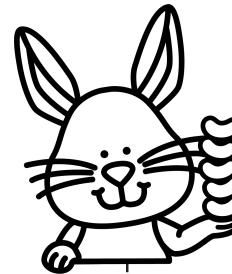

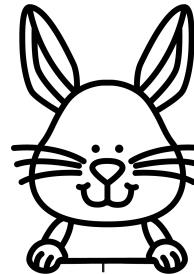

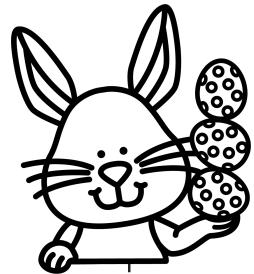

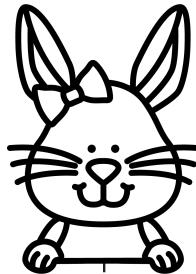

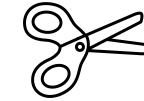

I can color the letters of my name.

I can write my name in the box.

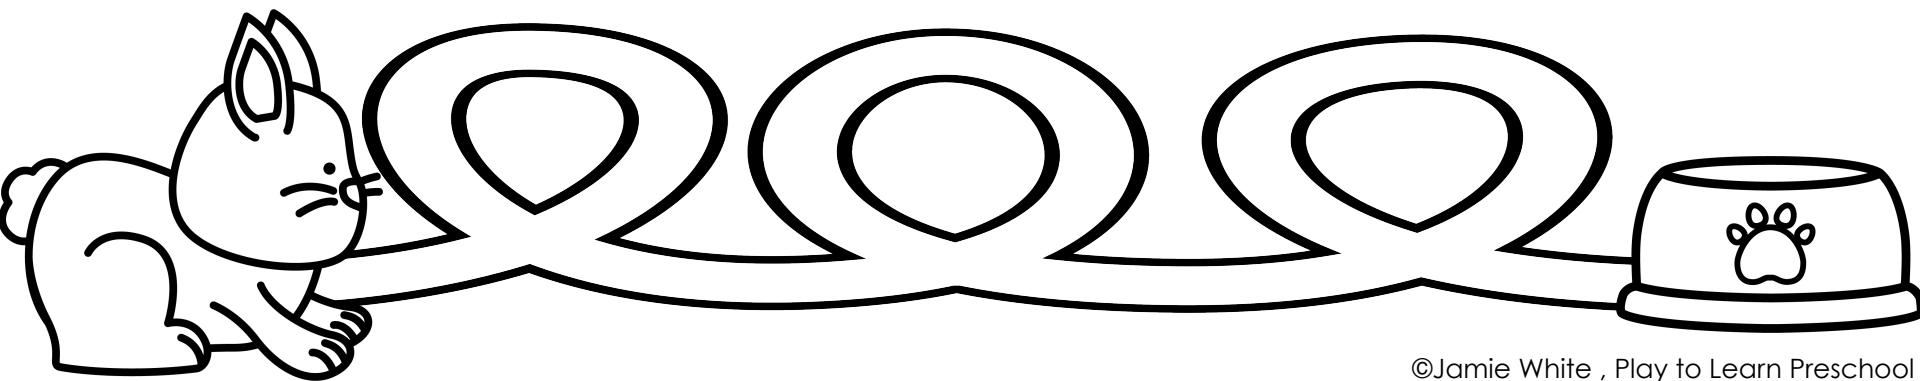

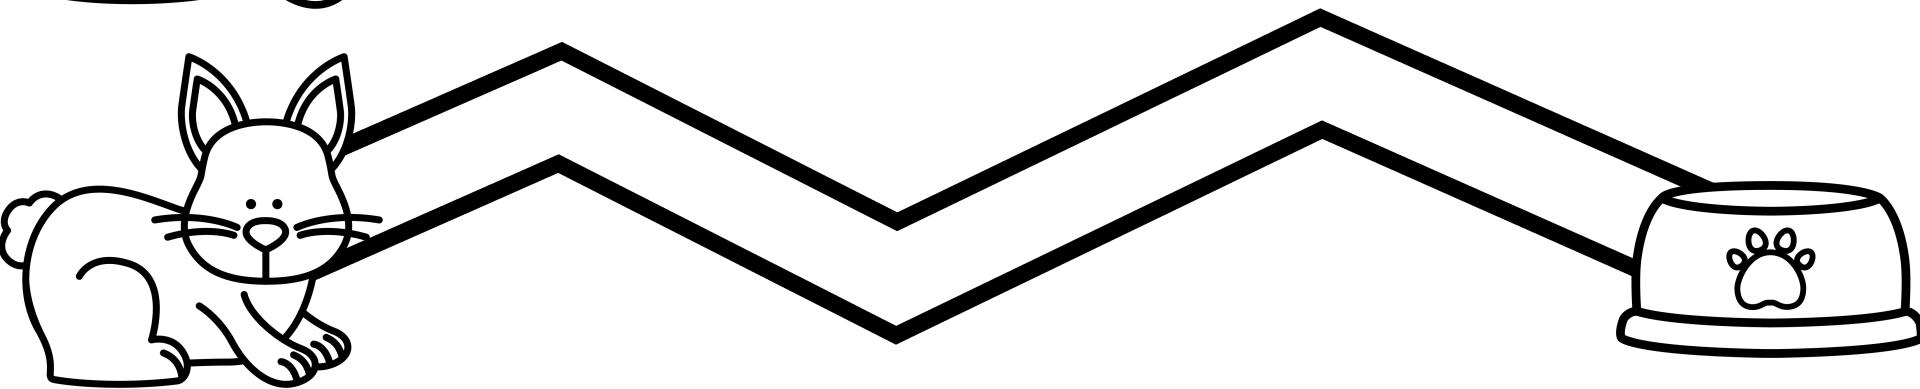

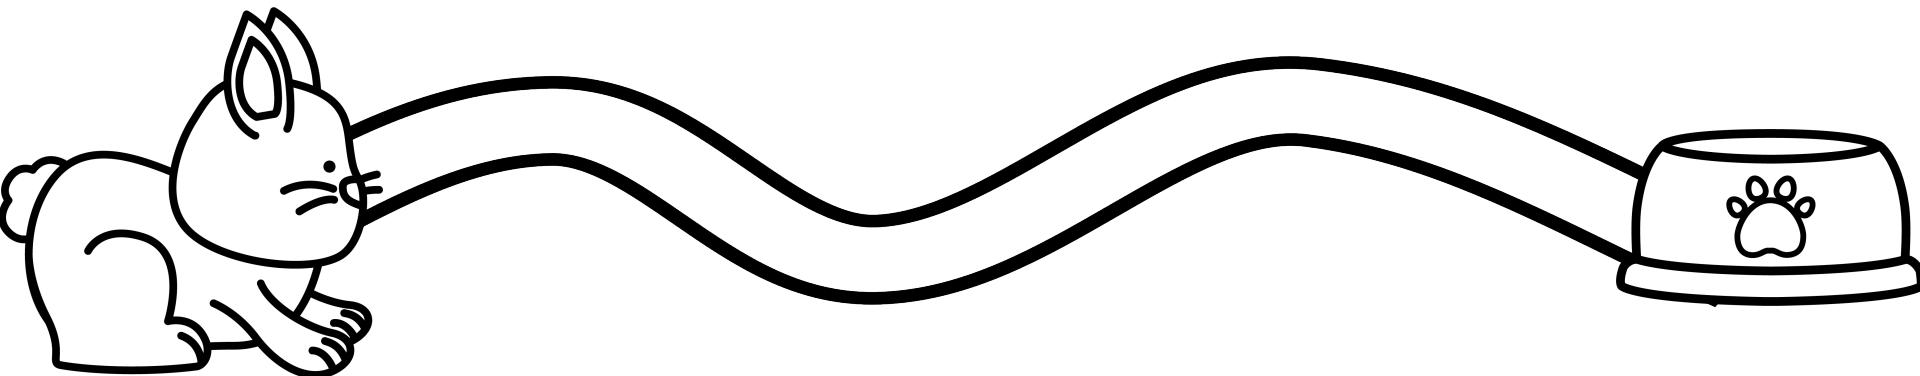

Name \_\_\_\_\_

Use scissors to cut the dotted lines.

Name \_\_\_\_\_

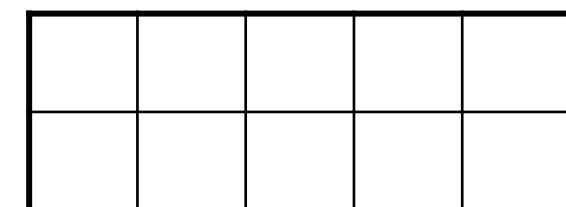

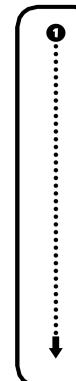

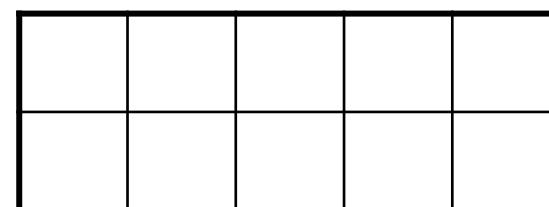

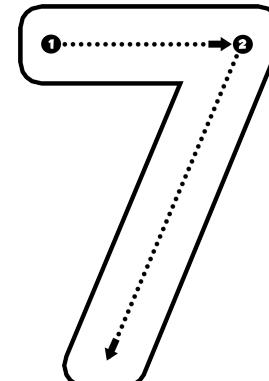

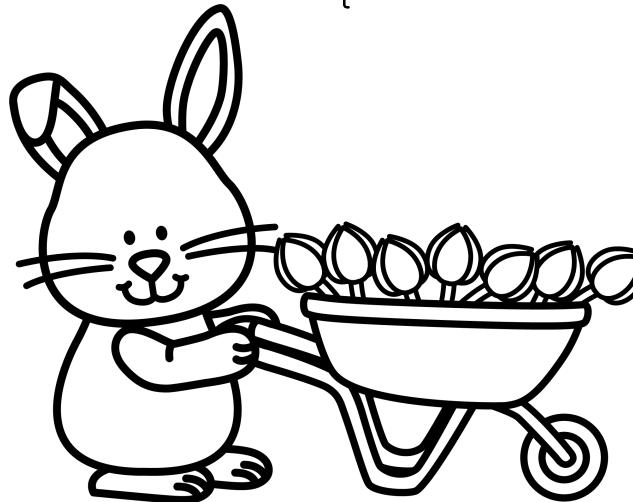

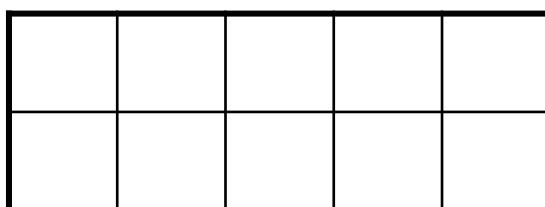

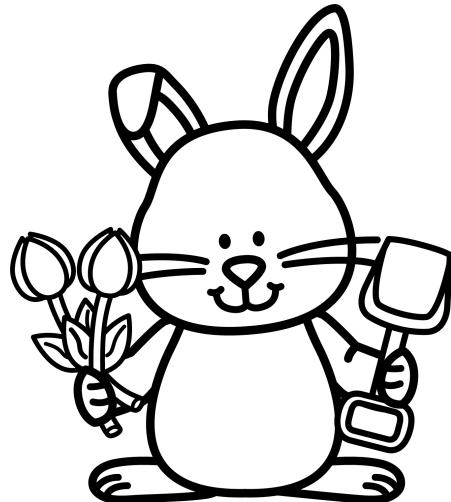

Trace the paths to help the bunny get to its food.

Name \_\_\_\_\_

Count the flowers and write the number.

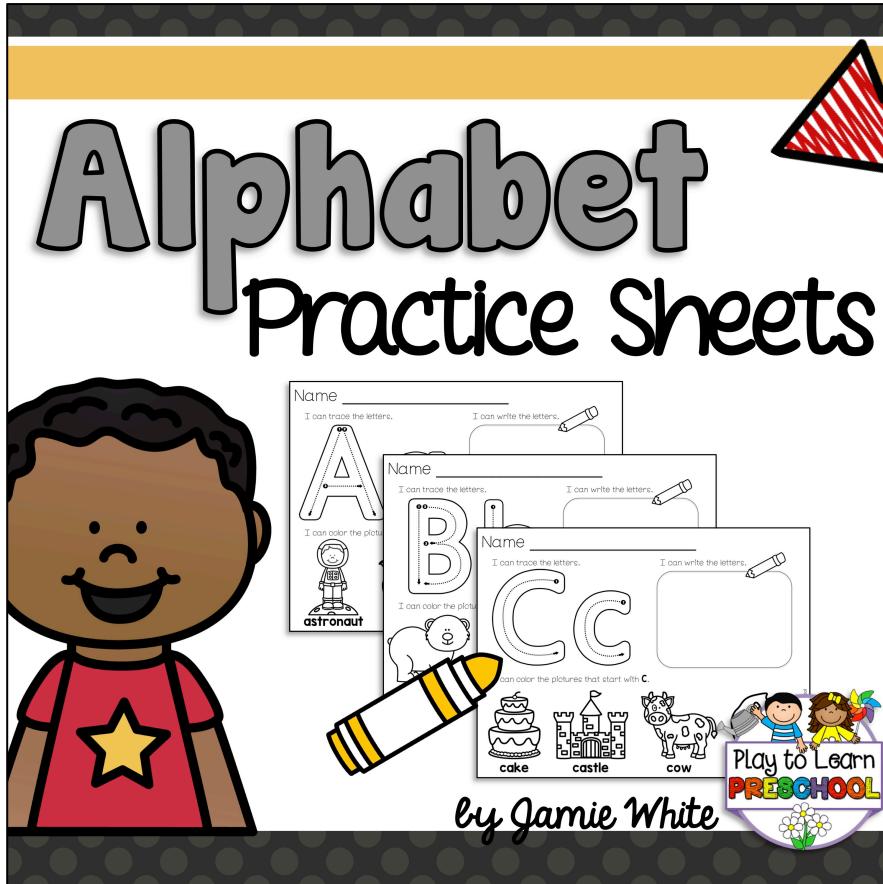

Color in the matching number of squares on the tens frame.

## Alphabet Practice

Pages

The image shows the cover of a product titled "Alphabet Practice Sheets" by Jamie White. The cover features a large, stylized title and a cartoon illustration of a smiling boy with dark skin and curly hair, wearing a red t-shirt with a yellow star. Below the title, there are three sample pages of the practice sheets. Each page has a large letter (A, B, or C) for tracing, writing practice lines, and a color-in section. The sample pages also include a small illustration and a matching word (e.g., astronaut, elephant, cake, castle, cow). A large red arrow points from the title "You will also like:" towards this product cover.

Practice tracing, writing, and identifying the letter sounds of the alphabet.
